

# Worksheet 1

The Five Themes of Geography are:

*Location:* Where is it?

*Place:* What is it like there?

*Movement:* How are people, goods, and ideas connected?

*Human Environmental Interaction:* How do people interact with the environment?

*Region:* What characteristic(s) unify the area?

Using information from the chapter, choose one tribe and describe their society and culture in terms of the Five Themes of Geography.

***Tribe:*** Crow

***Location:*** Central Montana

***Place:*** It is both plains and mountains.

***Movement:*** They all use natural resources.

***Human Environmental Interaction:*** They used there in environment for living, such as harvesting animals to eat and ate plants for vegetables.

***Region:*** The characteristics that unify the area are mountains, trees, plains, and grass.
